Dental

Delta Dental of MN | deltadentalmn.org | 800.553.9536

Although you can choose any dental provider, when you use an in-network dentist, you will generally pay less for treatments because your share of the cost will be based on negotiated discount fees. With out-of-network dentists, the plan will pay the same percentage, but the reimbursement will be based on out-of-network rates. You may be billed for the difference.

Dental exams can tell your doctor a lot about your overall health. It's important to schedule regular exams to help detect significant medical conditions before they become serious.

NOTE: Children can stay on the dental plan until age 26, regardless of student status. To see a current provider directory, please visit deltadentalmn.org.
